*Fawn Davis (Westland)*  
*Rachel Gordon (Globe)*  
*Chuck Kretschmer, Treasurer (ESCO)*  
*Shirley Krueger (Mayday)*  
*Ashleigh Lane (ETS-Lindgren)*  
*Kate Lowrey, Chair (ESCO)*  
*Beverly Miller (Crissair)*  
*Connie Reichert, Secretary (ESCO)*

The ESCO Foundation provides grants to support our communities in a variety of ways. One such way is through our Core Charity grants. These recurring annual grants are intended to be large enough to make a meaningful difference to the charitable organizations and their respective communities. To date the Foundation has made more than \$3.9 million in Core Charity grants. Please see the following page for examples of the organizations we support across the country in areas where we have operations.

In June, the 2023 ESCO Technologies Foundation scholarships were awarded. Including the fourteen scholarships awarded this year, the Foundation has now given 173 scholarships, totaling over \$500,000. We are always looking for ways to grow the scholarship program and are pleased to announce that starting in 2024 we will be expanding the eligibility to include grandchildren and legal dependents of our employees.

Please see the information included in this newsletter for highlights from some of our local volunteer and fundraising efforts, along with details related to the 2023 Scholarship awards.

For more information regarding the Foundation and the organizations we support, please see our website at [www.escotechnologiesfoundation.org](http://www.escotechnologiesfoundation.org).

Cash/Investments Balance	505,917	592,940

## *ESCO Corporate* Summer Giving Program

This summer ESCO Corp is supporting local charities suggested by our employees. Each month we are supporting a different charity, starting in June with Webster-Rock Hill Ministries (WRHM). WRHM partners with and assists those in need, while offering services to empower them to pursue resolutions to their present circumstances. ESCO is supporting their food pantry by collecting and providing non-perishable food items, personal care products and household supplies. In recognition of our employee donations and the important work that WRHM does in our community, the Foundation contributed a \$1,000 donation.

All employees who contributed were entered into a drawing for an ESCO backpack filled with goodies including Cardinals tickets, a Stanley Tumbler, a Starbucks gift card, and some adult beverages.

The organization has been so grateful for the new involvement of the Foundation, as they have experienced a downturn in summer donations. We plan to organize an in-service event to assist with food distribution in the future and to continue to

support their local efforts close to the ESCO Corporate office.

*WRHM dropped off a collection bin that was filled more than once during the month of June*

Our second summer giving program kicks off in July and will support local teachers. Teachers often spend their own money purchasing school supplies for their students and classrooms. We have selected a local classroom and teacher to support and will be collecting donations to purchase school supplies from their Amazon Wish List for the upcoming school year.

## ***Doble*** **Red Sox Fundraiser**

On April 12th, Doble Marlborough employees gathered in the cafeteria for a Red Sox opening day celebration. Employees enjoyed stadium-style food for lunch, with the choice of hot dogs, hamburgers, cracker jacks and ice cream. While employees were enjoying their food, various Red Sox themed prizes were raffled off. The prizes included two tickets to a Red Sox game, a signed Jason Varitek jersey, and an autographed Jason Varitek photo.

The raffle winners were Lynne Thomas, Chris O'Donnell, and Bill Kraus! Overall, this fun event raised \$425, and all proceeds from the raffle ticket sales were donated to the Foundation.

## ***ETS-Glendale Heights***

Habitat works together with families, local communities, volunteers and partners from around the world, so that more people are able to live in affordable and safe homes. Habitat builds homes in partnership with families. Homebuyers help build their own homes alongside volunteers and then pay an affordable mortgage. The labor of volunteers and partner families, efficient building methods, modest house sizes, and no-profit loans make it affordable for low-income families to purchase Habitat houses.

Habitat for Humanity Lake County was established in 1989 and has helped over 200 families, providing permanent housing for almost 900 people. Dustin Goffron from ETS-Lindgren in Glendale Heights, Illinois has served as a Board Member of Habitat Lake County since 2016. Initially, the Foundation supported his efforts with grants through our Miscellaneous Giving Program. This program provides grants of up to \$1,000 to support organizations in which our employees are personally involved. In 2022, Dustin became Vice President of the Board and ETS-Lindgren elevated Habitat Lake County to a core charity with a \$5,000 grant.

## **2023 Foundation Scholarships**

Congratulations to the 2023 ESCO Technologies Foundation Scholarship recipients. In 2023, 13 students received one-year \$3,000 scholarships for the upcoming school year. In addition, the Victor L. Richey Scholarship was awarded in honor of Vic's retirement and celebrates his long history of leadership at ESCO and his support of the Foundation. This one-time scholarship was awarded to the top candidate as selected by the committee and will receive a 4-year \$5,000 scholarship.
